Sending Packages to Adak

The US Postal service is the most effective way of shipping packages to the island. As there is no carrier delivery PO Boxes are the prime method of addressing used within the City. Although there are physical addresses exist, they are not always accepted when matched to various databases. In the past people have used “Sandy Cove” or “Kuluk” as addresses, however these are not proper addresses and will result in misdirection of mail, especially upon arrival at the post office.

To ensure the most efficient delivery, if you are shipping to a box holder and cannot you cannot use PO Box #### please use the following method:

100 Mechanical Street, Unit (or Apt) #### (PO Box Number)
Example: 100 Mechanical Street, Unit 1001 – this tells the mail clerks to associate with PO Box

1001.

Packages with only 100 Mechanical Street (without a corresponding Unit, Apt or Ste) are highly likely to be returned to sender as all packages must be picked up within 15 days. General Delivery is not permissible without prior permission of the local postmaster (email us at 99546 [at] adak-ak.gov). Packages not picked up within 15 days of arrival are sent back in order to meet Postal Service commitments.

If you are PO Box holder and need to make alternative arrangements for packages (i.e. out of town for a while or need someone else to pick up packages for you), please contact us at 907-592-8111 or send an email to [99546 \[at\] adak-ak.gov](mailto:99546@adak-ak.gov).
